

To all food lovers

I was introduced by my parents to Paul's Famous Hamburgers at the age of 5 years, which was 1969. My fondest memories were vesting Paul's on a warm summers evening with my parents and brothers and I would often travel by boat from Sylvania Waters, tie our boat up to the wharf under Tom Uglys Bridge and run to Paul's Famous Hamburgers for our weekly fix.

I have since introduced this addiction to my wife Cindy and children, visiting Paul's Famous Hamburgers on most Sunday's. My family and I love our weekly visits and know there is no comparison.

Surprisingly Paul's Famous Hamburgers taste the same as they did on my first visit in 1969.

My favorite hamburger is "The Works" I have never tasted a better hamburger and doubt that I will.

Spoil your taste buds, you won't be disappointed.

Have a great day
